# REVIEWS

"This school has changed my life and given me a path to Entrepreneurship that I didn't know was possible. **I would highly recommend Formula Botanica to anyone** who wants to learn how to make their own products as well as anyone who is looking to create and launch their own skincare line. You will not be disappointed, and it might be the best decision you ever make."

-ROBIN WAYMAN

"Thank you so much Formula Botanica for raising my confidence level and equipping me with necessary knowledge and skills to be an organic skincare formulator."

-BHUVI IYER

"It was a great journey with Formula Botanica. I learned a lot about formulating organic skincare and it was an exciting experience."

-MICHELLE MADSEN

"The online classroom is a great support if you have questions, or just need clarification or motivation. **I would absolutely recommend Formula Botanica.**"

-NICOLE GIAMBOI

"A huge thanks to the Formula Botanica team for providing such a great environment for curious, ambitious students of ALL backgrounds!"

-GEMA GUILLEN

"**Great program!** I feel so much more comfortable formulating now. Platform is fantastic too and everything is very interactive."

-ANDREA W

"Not only is the material in the course extremely insightful, scientific yet easy to follow, the team and community at Formula Botanica are always helpful and prompt. I have gained the confidence needed to start my own skincare line and the best of all, I know the fellow students and the team at the school will always have my back in the future."

-DOMINYKA BERNES

"A wonderful high-quality online course that comes with a supportive community. **I felt inspired, supported and connected during the online learning experience.**"

-GEORGIE SCAMBLER

"**The best learning platform for cosmetic formulation.** Thorough, excellent support and well designed."

-ELLOWYN GROVES ISAACSON
