

YOUR MASTERCLASS SHOPPING LIST

Welcome to Formula Botanica's Organic Skincare Entrepreneur Masterclass! Between September 20th and 29th 2021, we'll be sharing our series of FREE training videos to teach you how to become an organic skincare formulator and entrepreneur.

Now that you've registered to join our big event, please take the 4 following steps:

Step 1	Step 2	Step 3
Hit reply to the email we just sent you to tell us you received it OK! That will make sure you receive your Masterclass series in your inbox.	Sign up for SMS notifications so we can let you know when each new episode is released.	Join our big Skincare Entrepreneur Mastermind group where we'll be connecting everyone in the Masterclass.

Step 4: Get your ingredients and equipment ready to formulate along with us!

You will need the following ingredients to formulate the botanical face cream we'll be teaching you to make (we've recommended enough ingredients to make 300g - that means you'll be able to make the face cream 3 times):

- Neroli hydrosol – INCI: *Citrus Aurantium Amara Flower Water* (we recommend getting at least 250ml)
- Sweet almond oil – INCI: *Prunus Amygdalus Dulcis Oil* (we recommend getting at least 50ml)
- Vegetal – INCI: *Cetearyl Alcohol (and) Cetearyl Glucoside* (we recommend getting at least 25g)
- Sea buckthorn CO₂ extract – INCI: *Hippophae Rhamnoides Fruit Extract (and) Rosmarinus Officinalis (Rosemary) Leaf Extract* (we recommend getting at least 10ml)
- Papaya glycerite – INCI: *Glycerin (and) Water (and) Carica Papaya Fruit Extract* (we recommend getting at least 10ml)
- Sweet orange essential oil – INCI: *Citrus Aurantium Dulcis Peel Oil* (we recommend getting at least 5ml)
- Geogard ECT / Preservative Eco – INCI: *Benzyl Alcohol (and) Salicylic Acid (and) Glycerin (and) Sorbic Acid* (we recommend getting at least 10ml)

Please note: if you can't get hold of these ingredients, then we will be sharing alternative options with you in Episode 8 of your Masterclass series.
